In re	: Chapter 11
DELPHI CORPORATION, <u>et al.</u> ,	: Case No. 05-44481 (RDD)
Debtors.	: (Jointly Administered)
-----X	

DECLARATION OF ERIC KURTZMAN REGARDING TABULATION OF BALLOTS
WITH RESPECT TO VOTE ON FIRST AMENDED PLAN OF REORGANIZATION OF
DELPHI CORPORATION AND CERTAIN OF ITS SUBSIDIARIES AND AFFILIATES

I, Eric Kurtzman, declare as follows:

1. I am Chief Executive Officer of Kurtzman Carson Consultants LLC ("KCC"), which has offices located at 2335 Alaska Avenue, El Segundo, California 90245.

Unless otherwise stated, I have personal knowledge of the matters set forth herein.

2. KCC was retained by Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (each, a "Debtor," and collectively, the "Debtors"), and appointed by this Court to, among other things, assist the Debtors with dissemination of the Solicitation Packages and other solicitation materials, and with tabulation of ballots cast by creditors entitled to vote on the First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-in-Possession (the "Plan") (Docket No. 11386). Capitalized terms used but not otherwise defined in this declaration have the meanings ascribed to them in the Order Approving (I) Disclosure Statement, (II) Record Date, Voting Deadline, and Procedures for Temporary Allowance of Certain Claims, (III) Hearing Date to Consider Confirmation of Plan, (IV) Procedures for Filing Objections to Plan, (V) Solicitation Procedures for Voting on Plan, (VI) Cure Claim Procedures,

(VII) Procedures for Resolving Disputes Relating to Postpetition Interest, and (VIII) Reclamation Claim Procedures (the "Solicitation Procedures Order") (Docket No. 11389).

3. KCC is not a creditor or equity security holder of the Debtor, except to the extent that there are outstanding amounts due KCC in connection with the services approved by this Court.

4. KCC was instructed by the Debtors to tabulate ballots cast by creditors other than holders of debt securities in compliance with the Solicitation Procedures Order entered by the Bankruptcy Court for the Southern District of New York on December 10, 2007. KCC agreed to undertake such responsibility.

5. Pursuant to the Solicitation Procedures Order, the Court approved, among other things, the transmission of Solicitation Packages to creditors eligible to vote on the Plan.

6. As is more fully set forth in the affidavit of service by KCC filed with the Bankruptcy Court (the "Affidavit of Service") (Docket No. 11974), KCC caused the Solicitation Packages to be served by December 15, 2007 by First Class U.S. Mail, postage prepaid. KCC also assisted the Debtors in coordinating the publication of notice of the Confirmation Hearing in publications required by the Solicitation Procedures Order. With respect to the Debtors' Securities, Financial Balloting Group LLC ("FBG") was retained, pursuant to the Order Under 11 U.S.C. §§ 327(a) And 328 And Fed. R. Bankr. P. 2014 And 3017 Authorizing Retention Of Financial Balloting Group LLC As Special Plan Balloting, Solicitation, And Information Agent For Publicly-Held Securities (the "FBG Retention Order") (Docket No. 9482), to disseminate Solicitation Packages and to tabulate votes cast by the holders of such securities. FBG's Affidavit Of Service Of Financial Balloting Group, LLC Of Solicitation Packages On Holders Of Public Securities, dated January 12, 2008 (Docket No. 11981), more fully sets forth the

procedures and timing of the service of Solicitation Packages on holders of the Debtors' Securities. In total, more than 450,000 Solicitation Packages were mailed, more than 14,000 by KCC and over 438,000 by FBG, and, in addition, approximately 376,000 court-approved informational notices were separately mailed by KCC including, without limitation, the Confirmation Hearing Notice to various parties and specialized notices for each union and non-represented hourly employee. Attached as Exhibit A hereto is a chart summarizing documents transmitted to parties-in-interest in connection with this solicitation.

Solicitation Process Undertaken By Kurtzman Carson Consultants

7. Throughout the duration of the Delphi matter, KCC has recorded all claims listed on Delphi's Schedules of Assets and Liabilities (the "Schedules") or filed with the court either in hard copy or in electronic copy via the PACER system. KCC has also tracked all documents impacting claims, including, among others, claim amendments, claim transfers, and orders resolving objections to claims.

8. On the record date, November 26, 2007 (the "Record Date"), KCC directed the agent for the Clerk of the Court, The DRS Group, to send to KCC any claims filed on the Record Date.

9. KCC has processed all notices of transfer filed throughout this case. KCC reviewed the PACER system at 11:59 p.m. prevailing Eastern time on the Record Date to capture all filed transfers of claims and recorded each transfer as if effective on the date the transferee filed the notice of transfer.

10. KCC has processed all claim withdrawals, stipulations, and settlement agreements filed in this case. KCC also reviewed the PACER system at 11:59 pm prevailing Eastern time on the Record Date to capture all recorded claim withdrawals, as well as all Court-

approved stipulations and settlement agreements. Throughout the course of this case, KCC has processed changes of address and KCC continued to do so through the Record Date.

11. KCC processed any claim objections filed with the Court and any related resolutions approved by the Court through the Record Date. To the extent that Delphi filed claim objections after the Record Date, KCC adjusted the tabulation of the subject claimants' ballot so that it would be consistent with the objection cast as required by the Solicitation Procedures Motion.

12. On November 27, 2007, KCC sent to FTI Consulting, Inc. ("FTI"), the Debtors' financial advisors, a final updated data file to reflect all new claims and all modifications to old claims as of the Record Date. The Debtors, with FTI's assistance, used KCC's final updated data file to create a report reflecting for each claimant such claimant's voting class and voting amount (the "Ballot Report"). In addition to the Ballot Report, FTI, with the Debtors' input and instruction, used KCC's final updated data file to create a report (the "Notice Report") reflecting claimants that would not get a ballot but would receive a Solicitation Package. Such claimants on the Notice Report included, among other parties, those claimants who were unimpaired and were deemed to have rejected the Plan. The Ballot Report and Notice Report identify each creditor by the creditor's name and a unique creditor identification number that correlates to KCC's database (the "Creditor IDs"). On December 6, 2007, FTI transmitted the Ballot Report and Notice Report to KCC.

13. On December 6 and 7, KCC used the Creditor IDs to compare the Ballot Report and Notice Report to KCC's database, reviewing each claimant's name, claim class, and, in the case of the Ballot Report, the voting amount. The Creditor IDs allowed for the review of the December 6th Ballot Report and Notice Report against KCC's data. The Debtors and FTI

were available to answer any questions regarding the comparison of the Ballot Report and Notice Report to the official claim register listed in KCC's database. KCC first performed an initial check of the information by reviewing the Ballot Report and Notice Report for deficiencies or errors in either file and to ensure that all creditors identified in the reports had unique Creditor IDs.

14. KCC compiled reports comparing the creditor names in the Ballot Report and Notice Report to the creditor names reflected in KCC's system. This comparison allowed KCC to identify any discrepancies regarding creditor identification. KCC investigated and reconciled any discrepancies with FTI and the Debtors.

15. KCC compiled reports comparing voting amounts reflected in the Ballot Report to the claim amounts reflected in KCC's system. KCC investigated and found no discrepancies in claim amounts and was able to confirm the Debtors' determinations with respect to voting amounts as directed by the Solicitations Procedures Order. Separately, there were certain claims filed that the Debtors informed KCC were Flow-Through Claims or otherwise unimpaired. In connection with those claims, pursuant to the Debtors' instructions, KCC did not distribute ballots and instead distributed notices of unimpaired status. Similarly, KCC relied on the Debtors to provide KCC with voting amounts for the creditors in classes D, E, G-2, H-1, and H-8, which were amounts KCC could not readily determine; each ballot cast voted to accept the Plan.

16. On December 8 and 9, 2007 using the Creditor IDs, KCC inserted into the Ballot Report for each current creditor the appropriate name, address, custom sequence number, and identifying barcode from KCC's database, as well as the voting amount and a ballot voting

code. KCC used the resulting finalized report (the "Final Ballot Report") to create PDF images of all the ballots for the solicitation (the "PDF Ballots").

17. KCC checked data and addresses throughout the ballot generation process by reviewing data placement and address quality in many of the PDF Ballots, reviewing formatting for common Excel-related concerns that occur when parties transfer data, including dollars mis-formatted as dates, and checking many PDF Ballots against the Final Ballot Report for uniformity, including matching creditor name, address, and voting amount.

18. On December 10 and 11, 2007, KCC provided FTI with electronic access to the PDF Ballots for FTI's review and confirmation regarding the accuracy of the information contained on each ballot. Upon receiving confirmation from FTI, on December 12, 2007, KCC provided RR Donnelley electronic access to the PDF Ballots. On that same date, using the Creditor IDs, KCC inserted into the Notice Report the current creditors and creditors' addresses for distribution and service of solicitation packages without ballots (the "Final Notice Report") and provided the Final Notice Report to RR Donnelley. KCC also provided RR Donnelley with a report reflecting all creditors on the creditors matrix but not otherwise listed on the Final Ballot Report or Final Notice Report (the "Remaining Matrix Report").

19. By December 14, 2007, RR Donnelley prepared, with KCC's on-site supervision, and fulfilled all of the solicitation packages containing printed PDF Ballots in RR Donnelley's Lancaster office. By December 15, 2007, RR Donnelley prepared and fulfilled all remaining solicitation packages in its Lancaster office, including service of solicitation packages without ballots on the parties listed on the Final Notice Report and service of the Confirmation Hearing Notice on the parties listed on the Remaining Matrix Report. KCC oversaw the endeavor and performed quality control checks on solicitation packages for every class and non-

classified group throughout the printing and fulfillment process, including using custom sequence numbers to spot check voting packages.

20. KCC served, or caused to be served, appropriate notices, as required by the Solicitation Procedures Order, upon those holders of claims or interest entitled to notice. KCC was informed by the Debtors that Classes 1A through 12A, 1B through 12B, and 1J through 12J set forth in the Plan were not entitled to vote because they were deemed to accept the Plan and thus were mailed a Solicitation Package with an Unimpaired Notice. Similarly, KCC was informed that Class 1I (Other Interests) was deemed to reject the Plan and Class 1F through 12F (Intercompany Claims) were deemed to be proponents of the Plan and therefore votes were not solicited from such classes and only applicable notices were served upon them. KCC was further informed that Classes 1C through 12C, 1D through 12D, 1E, 1G-1, 1G-2, 1H, and 8H were impaired and entitled to vote on the Plan. Accordingly, holders of claims in each of these classes were mailed solicitation packages as described above.

Non-Securities Ballots

21. KCC coded each ballot to reference the applicable name of the consolidated group of Debtors as described on Section 3.1 of the Plan (the "Debtor Group"), the voting class number, the name and address of the applicable creditor, and the voting amount. Each ballot also referenced a code to identify each creditor in the database maintained by KCC.

22. Completed and executed ballots were required to be returned to KCC by mail or other physical delivery addressed to Kurtzman Carson Consultants, LLC, 2335 Alaska Avenue, El Segundo, California 90245. The Solicitation Procedures Order provided that, for a ballot to be counted, the ballot must have been received by KCC no later than 7:00 p.m. (prevailing Eastern time), on January 11, 2008 (the "Voting Deadline"). To facilitate the return

of ballots, a postage prepaid return envelope was included in the Solicitation Packages sent to creditors entitled to vote.

23. Personnel employed by KCC manually opened all envelopes and removed all ballots received each day. Thereupon, ballots were stamped with the date received (the "Date Received"), inspected for compliance with the Solicitation Procedures Order, and entered into a vote tabulation database. Ballot data was entered into the vote tabulation database to reflect the date received, as was stamped on the ballot, and whether such ballot indicated acceptance or rejection of the Plan or whether such ballot should not be counted because it did not conform to the requirements of the Solicitation Procedures Order. KCC then audited the input data directly against the ballots and any issues with respect to the validity of ballots were resolved by KCC's supervisory personnel in accordance with the guidelines set forth in the Solicitation Procedures Order.

24. Pursuant to the Solicitation Procedures Order, KCC complied with the procedures in determining the validity of, and amounts to be assigned to, the ballots cast (the "Tabulation Procedures"). As set forth in the Solicitation Procedures Order, ballots cast to accept the Plan were accumulated and totaled for each voting class. Ballots cast to reject the Plan were accumulated and totaled for each voting class. For the purposes of tabulating votes, KCC counted each properly filed and completed ballot in accordance with the Solicitation Procedures Order. All valid ballots received on or prior to the Voting Deadline by KCC in accordance with the Solicitation Procedures Order were counted and included in the tabulation. As discussed below, ballots that did not meet the requirements of the Solicitation Procedures Order were not counted.

Debtor Securities Ballots

25. As noted above, FBG was retained as special plan balloting, solicitation, and information agent with respect to holders of the Debtors' publicly-held Securities. As more fully detailed in the declaration of Jane Sullivan, Executive Director of FBG, FBG distributed and tabulated ballots in accordance with its customary practices and procedures, and in accordance with the Solicitation Procedures Order. Class G-1 Existing Common Stock Claims was solicited and tabulated entirely by FBG. Additionally, FBG solicited votes and tabulated ballots received by certain creditors of Class 1C who were holders of the Debtors' Securities (specifically Senior Note Claims and TOPrS Claims). For these Class 1C creditors, KCC has incorporated, in consultation with FBG, the tabulation results of the validly cast ballots for this portion of Class 1C into KCC's corresponding Tabulation Report of Conforming Non-Securities Ballots (as described below).

Tabulation

26. In light of the foregoing and based upon the Tabulation Procedures, the results of voting for all classes entitled to vote and received by KCC as of the Voting Deadline are as set forth on the Tabulation Report of Conforming Non-Securities Ballots attached hereto as Exhibit B.

27. Pursuant to the Solicitation Procedures Order, certain ballots were not counted ("Nonconforming Ballots"). These Nonconforming Ballots received by KCC are listed on Exhibit C. For each Nonconforming Ballot, Exhibit C also states the reason why such Ballot was not conforming and therefore not counted. Nonconforming Ballots received by FBG are detailed as an exhibit to FBG's declaration.

28. In connection with solicitation, the following four motions were filed pursuant to Bankruptcy Rule 3018 (each, a "3018 Motion"), requesting this Court's relief to permit provisional ballots to be cast: (1) Motion Of Bank Of America, N.A. ("Bank of America") For Entry Of Order Temporarily Allowing Claims For Voting Of Plan Pursuant To Fed. R. Bankr. P. 3018(a) (Docket No. 9683); (2) Motion Of Technology Properties Ltd. ("TPL") For Entry Of Order Temporarily Allowing Claims For Voting Of Plan Pursuant To Fed. R. Bankr. P. 3018(a) (Docket No. 10425); (3) Motion For Order Estimating Claims For Purposed Of Voting On Plan Of Reorganization, filed by Fiduciary Counselors, Inc. ("FCI") (Docket No. 11618); and (4) Motion Of SPCP Group, L.L.C. ("SPCP") Pursuant To Bankruptcy Rule 3018(a) Requesting Temporarily Allowance Of Claims For Purposes Of Voting To Accept Or Reject The Plan (Docket No. 11625).

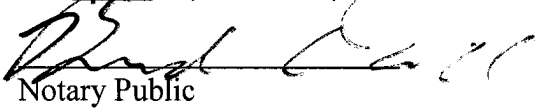

29. Upon the docketing of a 3018 Motion, KCC sent each movant one or more provisional ballots. TPL did not cast a provisional ballot. Upon information and belief, Bank of America has withdrawn its 3018 Motion. The 3018 Motions filed by FCI and SPCP implicate the section 1126 outcome of only Classes 3C and 5C with respect only to amount voted. Attached as Exhibit D-1 hereto is a comprehensive tabulation report aggregating conforming ballots received by the Voting Agents (including properly and timely cast ballots by holder of Securities) and the provisional ballots requested by FCI and SPCP, assuming both FCI's and SPCP's 3018 Motions are granted in their entirety by this Court. Attached as Exhibit D-2 hereto is a comprehensive tabulation report aggregating conforming ballots received by the Voting Agents (including properly and timely cast ballots by holder of Securities) and the provisional ballots requested by SPCP, assuming only SPCP's 3018 Motion is granted in its entirety by this Court.

I declare under penalty of perjury pursuant to 28 U.S.C. § 1746 this 16th day of
January 2008 that the foregoing is true and correct.
